

WINNING 101

Check all these items off your list and you'll be ready to win your vehicle on auction day.

- ☐ Upgrade to Premier or add a Deposit. Securing your buying power will allow you to bid as high as you need to. Premier Members have unlimited buying power.
- ☐ Inspect the vehicle. Inspecting the vehicle will give you the confidence you need to bid the right amount.
- ☐ Add to Watchlist. Add the vehicle to your Watchlist to get an email reminder on auction day.
- ☐ Add to calendar. Click the "Add to Calendar" button on the lot details page of your vehicle to have the auction time added to your personal calendar so you will be reminded of the vehicle's sale date and time.
- ☐ Know the row and item number of the vehicle. Locate the vehicle's row and item number to know when and where to find your vehicle in the live auction.
- ☐ Familiarize yourself with the live auctions—join a live auction beforehand to know what to expect. Keep an eye on the circular, dynamic countdown timer. When the bidding stops, the timer will circle to red, and the bidding is over.
- ☐ Download Copart's mobile app. Not sure if you will be near a computer on auction day? Copart's mobile app allows Members to bid and win from the palm of their hand.
- ☐ Join the live auction to bid. Be ready on the big day to join the live auction. Remember: a tie goes to the live bidder not the pre-bidder.
